

## **ASAP Club Descriptions – 2017 Fall Semester**

***Week of August 28<sup>th</sup> thru Varying End Dates***

**Sportball Multi-Sport:** Refine, rehearse, repeat. Multi-Sport classes are the heart of Sportball programming. Coaches focus on the basic skills common to all sports, like balance, coordination, stamina and timing in a fun, supportive, non-competitive setting that emphasizes teamwork. Each class focuses on one of eight different popular sports: hockey, soccer, football, baseball, basketball, volleyball, golf and tennis.

**Volleyball (Girls) – Sportball:** Bump, set, spike! Sportball Volleyball introduces children to fundamental concepts of game play and teaches the basic skills required to play the net with confidence in a supportive, non-league environment. Coaches zero in on skills like serving, spiking, bumping and volleying in fun, exciting, skill-focused play.

**Killer Crafts:** Where we explore arts and crafts by building 3D art. Materials we will use but not limited to are beads, yarn, cardboard, paper mache', printmaking, paint, and other awesome materials! Mrs. Feight can't wait to see you in "Killer Crafts"! *(Max 12)*

**Preschool T-Ball:** League Fun! Sportball T-Ball introduces fundamental concepts of gameplay and teaches the basic skills required to play ball with confidence in a supportive, non-league environment. Coaches zero in on skills like throwing, catching, batting form, running bases and fielding in fun, exciting, skill-focused play.

**Basketball – Sportball:** Slam dunk! Sportball Basketball introduces fundamental concepts of game play and teaches the basic skills required to hit the court with confidence in a supportive, non-league environment. Coaches zero in on skills like dribbling, passing, catching, shooting and defense in fun, exciting, skill-focused play.

**STEM (Science, Technology, Engineering & Mathematics):** The 4<sup>th</sup> Grade Teachers are excited to offer this new class teaching students real world STEM concepts through fun activities including floatation devices, engineering challenges, chemical reactions, catapults, tumbling towers, rocket blasts and more. *(Min 10, Max 25)*

**Pom/Cheer:** Pom and Cheer is a combination of jazz and cheer with clean and sharp movement. In this 60 minute class your pommie will learn dance team unity, chants, as well as upbeat and funky dance movement. Pom and cheer would not be complete without pom poms! This class will incorporate the use of poms and cheer motions. Your new pommie will have a blast and loads of fun in this high energy class! *(Min 6, Max 20)*

**Creative Writing:** Students of this class will be inspired and encouraged to write in various genres. Each week's mini lesson will be inspired through picture books and other resources. *(Min 6)*

**Preschool Christian Warriors:** Strengthening the body, mind & spirit to be warriors for Christ through basic martial arts movements and games

**Illustrated Faith for Girls:** A creative approach to spark passion for exploring God's Word. Bring your favorite journal and learn how to slow down and look at God's Word and reflect on what He has shown you. We will create journal entries and small craft projects using various art mediums: water colors, markers, colored pencils, stamping, stickers, washi tape and more! *\*Students will need to bring a notebook journal that fits their personality.\* (Min 5)*

**Crusader Chess Club:** Chess Emporium teaches a fun and exciting introduction to the game of chess. All grades are welcome in the chess club, which begins by teaching students how to play the game, chess openings, tactics, and endgames, while allowing students to practice with their friends. Studies by major corporations and universities have shown that chess can help students increase their math and verbal skills, as well as their creative and critical thinking abilities. Chess provides helpful insights into mathematics, visualization, analysis, and writing skills. This class provides chess strategies and tournament play in this club experience. Students who sign-up for this class will find where they rank by earning a Chess rating number based on tournament play. *(Min 8, Max 28)*

**Homework Club:** Homework club is managed by Mrs. Roman and gives students extra help with practicing math facts, spelling words, Bible verses, vocabulary, extra AR & AM time and assistance with any worksheets or assignments.

**Christian Warriors:** Christian Warriors: Strengthening the body, mind & spirit to be warriors for Christ through martial arts training.

**Snazzy Snacks:** Kids create kid-friendly recipes and enjoy eating what they create! (23 Max)

**Contemporary & Jazz Dance:** Students will be learning a variety of dance elements in a supportive Christian environment. Students will get the chance to learn dance technique, combinations and performance routines. At the end of the semester, parents and friends will be invited to watch a short recital of what these students have learned!

**Story Art:** Connecting Literature and Art. Each week we will be creating an art project inspired by picture books using various art mediums and materials. *(Min 8)*

**Roblox & Robotics:** Roblox & Robotics is a class encouraging students to problem solve, build, and program robots. Each class we try the abilities of our teams in what we call the "Battle of the Bots" to see who is the supreme technological champion. Robotics helps build problem solving, team work, and critical thinking skills. This year, we will also be incorporating the online Roblox program to learn the basics of coding. At the start of each class we include a short devotion and prayer time. *(Max 12)*
