

# NORTHWEST CHRISTIAN SCHOOL CRUSADER LEGACY BRICK PROGRAM

Building the legacy of Northwest Christian School...Brick by Brick!

This year, Northwest Christian is beginning to build a beautiful new classroom building that will replace some of the older, less sustainable classrooms on our campus. Opening in January 2019, the new building will be adjacent to the football field. As part of this project, we will be completing the Crusader Legacy Plaza—an area where students and families congregate on the west side of the field.

Within these plans, *we are excited to be using engraved, customizable bricks that present the opportunity for you to demonstrate your part in the legacy of our school.* These **Crusader Legacy Bricks** will be observed daily by students, faculty, alumni, friends and visitors to our campus. Crusader Legacy Bricks offer a tangible, poignant reminder of our legacy and encouragement as we pursue our destiny.

## Suggestions for engravings:

- Celebrate a graduate or commemorate your time as a family at NCS
- Honor a loved one
- Recognize a staff member or a supporter of the school
- Present a verse that has special meaning within your family
- Help Crusader families to understand that your business supports Christian education

Your personalized brick will be included in the Crusader Legacy Brick Program for a one-time donation of \$250. Each 4"x8" brick may include up to three (3) lines of text, and up to eighteen (18) characters per line. Examples as follows:
