Mild Traumatic Brain Injury (MTBI) / Concussion

Annual Statement and Acknowledgement Form

I, _____ (student), acknowledge that I have to be an active participant in my own health and have the direct responsibility for reporting all of my injuries and illnesses to the school staff (e.g., coaches, team physicians, athletic training staff). I further recognize that my physical condition is dependent upon providing an accurate medical history and a full disclosure of any symptoms, complaints, prior injuries and/or disabilities experienced before, during or after athletic activities.

By signing below, I acknowledge:

- My institution has provided me with specific educational materials including the CDC Concussion fact sheet (<http://www.cdc.gov/concussion/HeadsUp/youth.html>) on what a concussion is and has given me an opportunity to ask questions.
- I have fully disclosed to the staff any prior medical conditions and will also disclose any future conditions.
- There is a possibility that participation in my sport may result in a head injury and/or concussion. In rare cases, these concussions can cause permanent brain damage, and even death.
- A concussion is a brain injury, which I am responsible for reporting to the team physician or athletic trainer.
- A concussion can affect my ability to perform everyday activities, and affect my reaction time, balance, sleep, and classroom performance.
- Some of the symptoms of concussion may be noticed right away while other symptoms can show up hours or days after the injury.
- If I suspect a teammate has a concussion, I am responsible for reporting the injury to the school staff.
- I will not return to play in a game or practice if I have received a blow to the head or body that results in concussion related symptoms.
- I will not return to play in a game or practice until my symptoms have resolved AND I have written clearance to do so by a qualified health care professional.
- Following concussion the brain needs time to heal and you are much more likely to have a repeat concussion or further damage if you return to play before your symptoms resolve.

Based on the incidence of concussion as published by the CDC the following sports have been identified as high risk for concussion; baseball, basketball, diving, football, pole vaulting, soccer, softball, spiritline and wrestling.

I represent and certify that I and my parent/guardian have read the entirety of this document and fully understand the contents, consequences and implications of signing this document and that I agree to be bound by this document.

PARENT/GUARDIAN PERMISSION FOR ATHLETIC PARTICIPATION

I give my permission for _____ to participate in organized interscholastic athletics, realizing that such an activity involves the potential for injury which is inherent in all sports. I acknowledge that even with the best of coaching, use of the most advanced equipment, and the strict observance of rules, injuries are still a possibility. On rare occasions the injuries can be so severe as to result in total disability, paralysis, quadriplegia, or even death.

In addition, I consent to their participating for the entire season, and travel to and from the practices, games or matches. I also agree to emergency treatment as deemed necessary by the medical personnel designated by the program authorities.

**NORTHWEST CHRISTIAN SCHOOL
SPORTSMANSHIP CONTRACT**

Because we claim the name of Jesus Christ as our Lord, we must hold to Biblical standards for our actions. Scripture clearly commands believers not to be conformed to the worldview and lifestyle of which they are a part, but, on the contrary, to function as salt to prevent the spread of moral corruption (violence in sports, etc.) and as light to dispel spiritual darkness. For Northwest athletics, our testimony for God is seen in our sportsmanship.

Because of whom we represent, we pledge that we will accept all rulings by the game officials without reaction and as final: we will show Christlike respect for our opponents. While playing hard as possible we will not participate in violent reactions to the actions of others. "Finally, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report, if there be any virtue, and if there be any praise, think on these things. Those things which you have both learned, and received, and heard, and seen in me, so do, and the God of peace shall be with you." (Phillipians 4:8-9)
