- Any payment received after the seventh of the month will be considered late and the account will be assessed a \$25 late charge.
- If an account becomes more than 60 days past due, the student may not be allowed to attend class until the account is brought current.
- There is a \$20 charge on all checks returned by the bank.
- If annual tuition is paid in full by the first day of school, the family will receive a three percent discount.
