

## **NCS Peer Tutoring**

NCS has peer tutoring available if a professional tutoring/tutoring company does not work for your family. For a complete list of peer tutors, please contact the guidance office. Some of our students are available for volunteer while others are charging an hourly fee. It is the responsibility of the family to coordinate hours and location for tutoring, as well as monitor the progress made by their student. If your student needs to request a new tutor for any reason throughout the school year, please feel free to contact the guidance office for an updated list of available students.

## **Professional Tutoring List**

Buddy System, Inc.: 1-888-98-tutor [www.buddysystem.com](http://www.buddysystem.com)
